Re: Permit Review Status, Papoose Mine, M/037/084, San Juan County, Utah

Dear Mr. Williams:

On May 26, 1995, the Division received Cotter Corporation's plan for the Papoose mine. Due to a backlog of other permit reviews, the Division will not be able to complete a review of this plan within the usual 30-day timeframe. Please accept our apology for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30-45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
